An Editor's Life Saved by Chamberlain's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expect something which I could not. I became alarmed and after giving the local doctor a trial, bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—R. S. Edwards, Publisher of the Review, Wyand, Ill. For sale by all druggists.

If you are feeling weak and worn out and do not have a healthy appearance you should try Acker's Mucous Enema. It cures all blood diseases where cheap Sarsaparilla and so called purifiers fail; knowing this we sell every bottle on a positive guarantee. For sale at Bisbee Drug Store.

Joined the Benedicts.

Joseph McCabe, one of Bisbee's esteemed citizens, surprised the camp last evening by bringing home Mrs. McCabe, formerly of New York. The pleasant and well-bred young woman whom the fortunate Joseph has induced to share his lot will not lack a cheery welcome from any of Bisbee's people. The respect we all feel for Joe as a hero of the late unpleasantness will be shared by the genial young Mrs. McCabe, even if she has robbed us forever of the companionable bachelor who succeeded in getting himself perforated at San Juan Hill.

The wedding was solemnized at the Arlington Hotel, Tombstone, by Judge Bradley, Mr. and Mrs. Tom Vaughn acting as best couple. A romantic flavor is given to this delightful episode by the fact that while visiting the hospital where the wounded soldiers lay, Mrs. McCabe first saw and loved the soldier laddie whose name she now bears.
